## INSTALLATION INSTRUCTIONS

- 1. Cut hole for mounting bracket (row D from chart).
- Insert mounting bracket with "UP" arrow to the top for horizontal or angled mounting and to the rear for vertical mounting.
- 3. Drill four 16" (3mm) holes and fasten mounting bracket with supplied screws.
- 4. Insert cup dispenser with the dispenser's weld seam aligned with "UP" arrow.
- 5. Push dispenser in until flush with counter. Rotate counter-clockwise until tight.
- To remove for cleaning or adjustment, rotate dispenser clockwise and pull straight out of counter.
