Counter Top Hot Dog Steamer

8300

Turn your countertop into money-making real estate with Nemco's new Hot Dog Steamer! The Nemco Steamer will warm it, store it and sell it with its great merchandising appeal! Steam Hot Dogs, then serve them on fresh and tasty Buns!

The steamer is equipped with a large compartment that will steam up to 150, 10-count hot dogs and 30 buns. It will accommodate 2 each 6" hot dogs from front to rear of the unit. The high profile of the unit, unique merchandising graphics and see-through tempered glass back panel allows you to put this on a counter anywhere to get the most out of your space!

The front, top, sides and inside of the unit are constructed of brushed rust-resistant stainless steel. The steamer is equipped with an easy-to-activate drain for easy cleaning, a lighted power switch and a Low Water indicator light (not included on Model No. 8301). The tempered glass sliding doors allow easy access to both hot dogs & buns. Easy-to-use controls include an adjustable thermostat. Now you can serve your customers fresh and tasty hot dogs, a fan favorite, in just 1 1/2 square feet of counterspace!

Standard Features:

- Brushed 304 stainless steel cabinet and base
- Tempered glass back panel for merchandising appeal
- Tempered glass sliding doors
- Attractive merchandising graphics
- Low water indicator light (not included on Model No. 8301)
- Drain, allowing for easy cleaning
- Lighted power switch
- Adjustable thermostat
- 150 10-count hot dog capacity
- 30 bun capacity
- 7 1/2 quart water reservoir
- Six foot cord and NEMA 5-15p plug
- One year parts and labor warranty
