Zerolon® Ice Cream Scoops & Spades

How To Get More Product With The Zerolon® Scoops & Spades

Manage your portions with the Zerolon Ice Cream Scoop.

- Hold the scoop handle comfortably in either hand, down toward the bowl
- Draw the scoop toward you at an angle of about 45 degrees
- Turn the scoop, lifting portion out of the container and press against cone or dish

The Zerolon TubMate Spade is an ideal solution for leveling tubs, hand-mixing and hand packing.

- Scrape the side of the carton with the Zerolon TubMate Spade
- Level the top of the ice cream to increase yield and help prevent ice crystals

How To Make The Zerolon® Scoops & Spades Last Longer

These cleaning tips will help get longer life from the Zerolon® Scoops & Spades:

- Hand wash daily with a non-abrasive cleaner, rinse with water and towel dry.
- DO NOT PUT IN DISHWASHER. DO NOT EXPOSE TO TEMPERATURES OVER 140° F/ 60° C.
