The Deluxe Food Warmer produces steam using plain tap water for quick heating and reconstituting of food items.

Simple push button action delivers a fully adjustable pulse of steam. Because the amount of steam is consistent, it removes the guesswork and produces a uniform finished product from one operator to the next.

The Deluxe Food Warmer is manufactured from the finest materials available and is assembled to Roundup's strict quality standards.

Features:

- Instant Steaming
- Non-Clogging
- Self-contained Water Reservoir or Direct Water Hook Up
- Safety Steam Release Valve
