GLO-RAY® PORTABLE FOODWARMERS

Models GR-B, GRFF, GRFFL, GRFFB, GRFFBL

Hatco Glo-Ray® Portable Foodwarmers keep food hot at kitchen work areas, waitress pickup stations or customer serving points. Available in models and sizes to meet every food warming need.

FLEXIBILITY

GR-B features a preset automatic thermostat to maintain proper base temperatures. Shipped with pan rail and 6' (1829 mm) cord and plug, ready to use.

GRFF has a specially designed stand that keeps food holding pans off the work area and allows easy access from three sides. The air space between pan bottom and counter top serves as an effective insulation to prolong serving life. Optional shatter resistant incandescent lights illuminate the warming area.

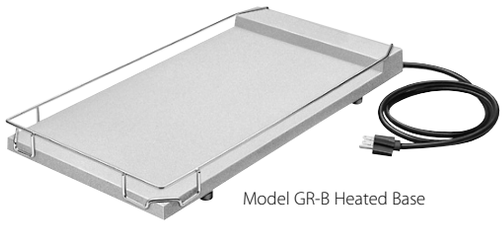
GRFFB has a preset base that conducts heat from the bottom while an infrared element heats from above. A swing-away top provides fast and easy access to food pans. The GRFFB is available with a clearance of 12", 14", or 16" (305, 356, or 406 mm) between heated base and upper housing. Includes pan rail and 6' (1829 mm) cord with plug. Optional shatter resistant incandescent lights illuminate the warming area.

Hatco can custom design portable foodwarmers to meet customer specifications or to fit an unusual situation. A wide selection of accessories including food pans, trivets, coated shatter-resistant incandescent lights, and controls make Glo-Ray foodwarmers ideal for any location.

QUALITY

The following features assure the finest performance for years to come:

- Models available with heat above the food, below the food, or both.
- All models are factory pre-wired with a 6' (1829 mm) cord and plug.
- Optional incandescent lights available to enhance food appeal.



Model GR-B Heated Base

Model GRFFBL with optional infinite control and accessory half-size food pans and wire trivets

Model GRFFL with optional 9"W x 5.5"H (229 x 140 mm) display sign holder (sign not included), *Designer* color and accessory food pan

METAL SHEATHED HEATING ELEMENTS GUARANTEED AGAINST BURNOUT AND BREAKAGE FOR TWO YEARS.
