

Item# _____

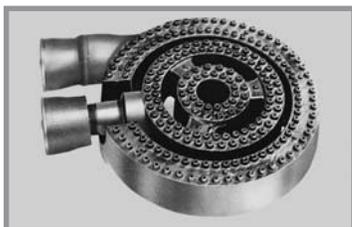

Stock Pot Range

Model# ISPA-18

Standard Features

- Stainless steel front, sides and cabinet.
- Three-ring burner with two adjustable gas valves provides flexibility and maximum 90,000 BTU/hr. high performance cooking.
- Burner is equipped with two continuous pilots for instant ignition.
- Heavy duty cast iron top grate removes for cleaning. Roll front is easy to load and gradual slope design reduces spill-overs.
- Sturdy stainless steel cabinet base provides additional storage. Chrome plated 6" legs with adjustable feet are standard.
- One year parts and labor warranty.
- AGA and CGA design certified and NSF Certified.

Three-ring 90,000 BTU burner.

Imperial Stock Pot Ranges

Imperial provides as standard many of the optional upgrades normally offered at a premium on other Stock Pot Range lines. The new look features a stainless steel front, sides and cabinet.

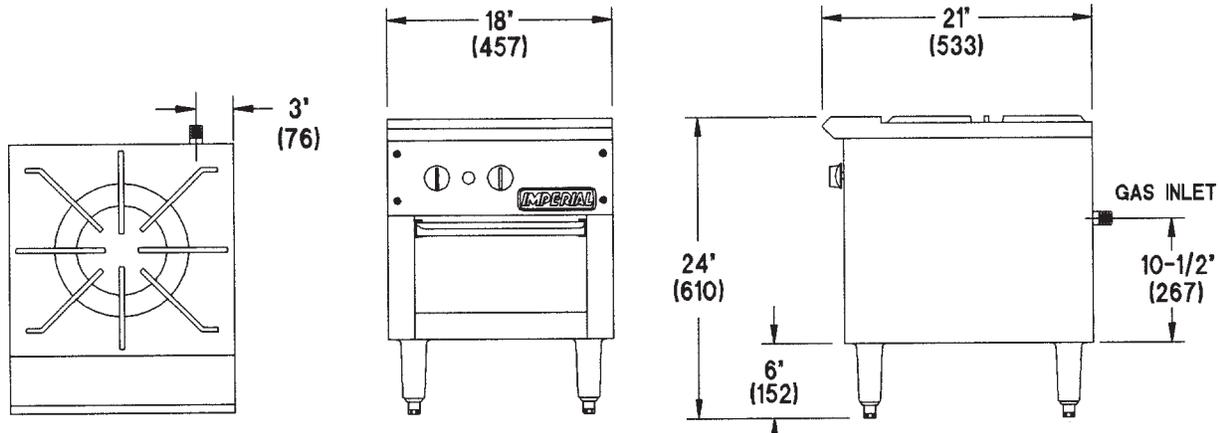

The three-ring burner provides a total of 90,000 BTU/hr. output for high performance cooking in a wide variety of applications. The heavy duty cast iron grate is designed with a roll front for easy loading. It also has a gradual slope to reduce spill-overs and will accommodate any size stock pot. For quick clean-ups a full width, removable drip tray is standard.

Imperial Stock Pot Ranges are also available in 18" height and a double stock pot design in a 42" depth.

Constructed for durability, Imperial Stock Pot Ranges are made of heavy gauge steel with an angle iron chassis.

Stock Pot Range

Model#	Width	Depth	Height	Burners	B.T.U.	Ship Weight	
Stock Pot Range						(Kg)	(Lbs)
ISPA-18	18"	21"	24"	(1) 3-Ring Burner	90,000	57	125
ISPA-18-2	18"	42"	24"	(2) 3-Ring Burners	180,000	114	250
Hi-Temp Stock Pot Range							
ISP-J-SP	18"	21"	24"	(1) Non-Clogging Jet Burner	125,000	62	135
