with less effort!

Cost Cutter at LARGE

Like all NEMCO manual food prep equipment, the Easy Chopper II™ takes labor and cost out of your food prep operations. It's fast, efficient, easy to use and easy to clean. Plus it's safer than a knife—and built to last.

For the freshest menu items and the juiciest profits, put NEMCO to work in your kitchen.

BIG-Time Performance

No more wasted time prepping. Minimal precutting of veggies into smaller portions.

BIG-Time Versatility

Introducing the industry's only chopping tool that also slices and now available with wedging kits! Easily interchangeable blade assemblies allow you to perform a multitude of cutting operations with one machine. Chop, slice and wedge in a variety of cut sizes with flawless consistency for beautiful presentation and economical portion control.

BIG-Time Durability

With a tough, lightweight aluminum construction and high-tension stainless steel blades, the Easy Chopper II is designed and built to last in the active commercial kitchen for optimum ROI.

Suggested Uses

Easy Chopper II is THE tool for salsa, pizza toppings, drink garnishes and more. It's ideal for fast, easy chopping, slicing, and dicing of onions, tomatoes, potatoes, celery, peppers and other firm veggies.

Easily switch the chopper grid for one of three different slicing grids. Super-sharp, high-tension blades slice quickly and smoothly.

Guide rods add safety and provide consistent application of pressure.

Comfortable, weighted handle does most of the work.

Large 4¼"-square cutting area takes on the large onions and other big veggies.

Stainless steel blades stay super-sharp and taut to cut cleanly with one stroke.

Easily interchangeable blade grids let you produce multiple cuts and sizes.

Sturdy base is well balanced on four legs with nonskid feet.
