## Encore® Deck Mount Electronic Faucet

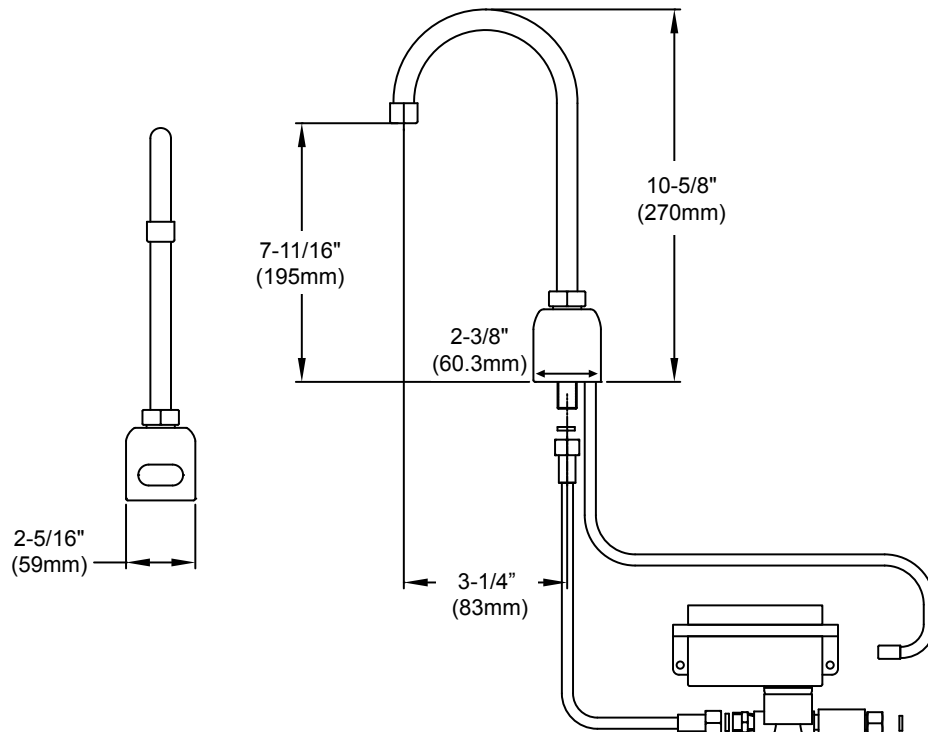

### K17-2000

#### ENGINEERING SPECIFICATION:

Shall be single-hole deck mount, non-mixing, automatic, lavatory faucet with chrome plated, solid, all metal construction. Included faucet, sensor assembly, 6V DC slow-closing solenoid valve, armored/vandal resistant faucet input power cable, one (1) 3/8" braided S.S. supply line, one (1) in-line filter, 0.5 GPM vandal resistant aerator and all necessary faucet mounting hardware. Features include: All valve components (battery compartment, sensor connector, control module (PCB) and solenoid valve) are housed in a sealed, vandal resistant, nonmetallic box for easy access and quick installation.

#### TECHNICAL/PERFORMANCE SPECIFICATIONS:

Commercial Specification Grade  
Operating Temperature: 40 - 140°F  
Operating Pressure: 5 - 125psi  
3/8" Compression female inlet  
Vandal resistant housing hardware  
In-line check valve w/cleanable filter included  
30 Second time-out feature  
1-1/4" mounting hole required
